Description

This little girl is every advanced beginners dream. Take her to the arena or trail rides she does both. She has been ridden English and Western. She is the same horse everytime you ride her. Has never offered to do anything crazy, not spooky and always willing to work. This girl crosses logs, goes through water, up and down hills, crosses ditches, traffic safe, ridden with dogs following, attended overnight trail rides in the mountains, very sure footed, easy keeper, comes to you in the pasture, stands to be saddled, ties and likes a bath. She is not a dead head, she is forward but very controllable, stays in her gaits, picks up both correct leads and started over small jumps. She also neck reins, backs, moves off of leg pressure and has an AMAZING LOPE. She doesn't mind a bull whip and she is gun broke (20 gauge or pistol). This pretty little girl has a great mind and sweet as she can be. Delivery available at buyers expense. Ppes are always welcome. Please be a serious buyer, bring a trailer and get everyone's approval before scheduling a time to come see her.
