Blondie Buckskin Appaloosa Gelding

$ 3,000

Description

This guy is a trail pony deluxe. He is the KIND everyone Is looking for. He has been ridden by a small adult and beginner youth for the past 5 years. He is a point and go type of guy. Goes wherever you point his head..over logs, in water, mud, thick brush, up and down hills, traffic safe, not spooky and easy to handle. Blondie Will ride in the back, middle or front. He has been to Love Valley, Ward, uwharrie, swamps of the low country, Broxton and a few others. I've known this horse for 5 years and ridden with him plenty of times, I've never seen him make a wrong move. He gets along well with others, easy to load, stands tied quietly to be saddled, bathed and for the farrier. He does have shoes on the front due to a crack in his hoof and his previous owner road in the mountains and gravel roads most of the time (he has never went lame or had any soundness issues) Has never offered to buck, bite, kick or rear. W/T/C Blondie is just a really sweet guy that deserves the very best of homes.
